Be Not Deceived

Editor:

On September 11, 1982 the Associated Press stated that President Reagan was "Terribly Hurt" at Congress for overriding his Veto of the $1.2 billion supplemental spending bill on Thursday, September 9, 1982.

Be not deceived fellow Americans this is just another attempt of the President to fool the American people.

The bill that President Reagan Vetoed contained funds for Senior Citizens community service jobs, funds for the enforcement of the Handicapped Accessability Law, student financial assistance law, $1.8 million for education aid for the disadvantage students and funds for the education of the Handicapped Students.

Recently Mr. Reagan proudly announced that approximately 25 per cent of those receiving disability benefits from Social Security had been eliminated. It is most shameful that the President of the United States and Congress has the power to take away something from the American People that the people have bought and paid for.

As a Virginian by birth, I am ashamed of the two men that Virginia has sent to represent us in the U. S. Senate, both of whom voted to sustain President Reagan's veto. One could expect no more from Senator Warner who has identified himself with the Republican Party and Ronald Reagan. If history tells us anything, it is that the Republican Party has always turned its back on the disadvantaged people of America. Senator Byrd like his father justifies his action by saying that we need to cut down on defict spending.

Is a balance budget so important that the disabled and disadvantaged Americans must do without?

Virginia, the Mother of Presidents, has the opportunity with the retirement of Senator Harry Flood Byrd who has along with his late Father so poorly represented Virginia in the Senate. To send a man to represent Old Virginia who cares about the people and does not support the Policies of Ronald Reagan and the Republican Party. Richard J. Davis is the best that Virginia has to give our great nation in this crucial hour.

It is a comfort to know that come January 3, 1983 when Senator Byrd retires from the Senate that the 50 year reign of Byrd & Son in the United States Senate will have come to an end.

Ronald W. Reagan had the audacity to tell the American people over Nationwide Television last week that his **"Reagonomics"** had begun to work by telling us Dow Jones averages had advanced almost 20 per cent as a result of his economic program and that America was on the road to recovery. The Dow Jones Stock Averages is Foreign Language to probably 95 per cent of the American People and very little meaning to the almost 11 per cent of our people who are out of work.

Now that Virginians have the opportunity to send someone to the Senate who cares, I urge you to vote for Richard J. Davis. We must set an example and send forth a man who is worthy of being called "Senator".

Our nation cannot afford to give Mr. Reagan any more support than he already has. To send Paul Trible to the Senate would be disgraceful.

This letter was intended for publication in October 28, 1982 issue of the **Times-Virginian**. By oversight it was not published. By the time readers see the election will have become history. It is being published this week because it is believed to contain **"Food For Thought.**

Blood Needed

Dear Editor:

The bloodmobile visited Appomattox on Tues., Oct. 26. Our goal was 110 units and we collected only 88. The Red Cross advised that all blood types are at a low level at this time but that O pos is at a critical low. I had hoped that maybe we could have gone over our goal thus helping the situation but it did not happen. I do not know why people did not turn out. One person said to me that she felt that people as a whole cared less for others than some years back. I do not like to think that is true. We have been successful in meeting our goals, since I have been chairman, with the exception of a very few visits and on others we have gone well over. Our next Visit will be on Thurs., Dec. 30 and since this is after most of our Christmas rush maybe we will have an exceptional turnout. Our goal is 150.

I do wish to recognize our first time donors. **Ruby D. Goin**, a student at Appomattox County High. **Nadine D. Denny, Theresa G. Hamlett, Janet H. Ewers, Robert L. Goin, Thomas E. Davis, Peggy D. Elgin, Devonne G. Godsey**, and **Arylee D. Ferguson.** A very special thanks to each of you and I hope to see you again on Dec. 30.

Donors who received pins were **Ann Spain** and **Merle Nash** both received their 6 gallon pins (who said it's not easy to give blood?) A four gallon pin went to **James Ryan.** Two gallon pins went to **Susan Godsey, Robert C. Harris, Agnes Erwin, Robert H. Goin,** and **Carroll W. Vandergrift. Brenda Lewis, Deborah Rash** and **David Heath** received one gallon pins. Thanks to each of you. Many will be enjoying better health and life itself.

I want to thank Mr. Vernon Webb, Pizza Hut, for not only donating blood but for his donation of 7 delicious pizza's. The workers and donors enjoyed immensely. Thanks to the FHA, Appomattox High for the good job they did as hostess of the canteen. Those homemade cookies were really delicious. Others who contributed to the canteen were Pepsi Cola Bottling Co., Wilburs, Food World, and Lee-Grant Motel. Thanks to the many volunteers who gave so generously of their time. We cannot to without YOU.

Thanks to the **Times-Virginian** and WTTX for the publicity.

Remember December 30 is our next visit. May I count on you? Christmas is a very special time for giving. Give life, the greatest gift of all.

Sincerely,
Alice C. Martin, Chm.

Dear Sirs:

Recently I was passing through your town on vacation. We stopped for a visit and saw the monument to the war veterans outside your Court House.

As a veteran myself, I was very impressed. To me, this means that your town sincerely cares about its veterans. My prayer is that more U.S. towns will be more thoughtful in remembering their veterans as you have been.

We need more towns like you!

Thank you.

Thanks Extended

Editor:

I would like to take this opportunity to thank several organizations for their services at the Appomattox vs. Brookville football game on Friday, October 22nd.

First would be the professionals of the Appomattox County Sheriff's Department who did a super job of controlling such a large crowd of people. They also did a good job at the close of the game, several sheriff vehicles took the time and courtesy to escort the Brookville buses through town to avoid the traffic and assured us of a quick and safe trip home.

Then there was the Appomattox High School staff that made a point to have reserved parking for the buses and reserved seating for the Brookville band. With this type crowd, it was a very welcome surprise for our band to be able to get off their buses and go directly to a reserved seat.

These two football teams played just as expected. They were all superstars - truly no losers. It had to be a winner and loser (by only 4 points), but to see both the Raiders and Bees shaking hands and congratulating each other at the end of the game, showed true sportsmanship.

Raiders, be proud of those enthusiastic fans, as they are fired up to give you the support you deserve. Also, those faithful Bee fans continued their support as they have all year.

Thanks again Appomattox for your courtesy and good sportsmanship.

Big Brothers, Big Sisters are needed in county

Mrs. Jenny Fratrick, volunteer coordinator, Appomattox Department of Social Services, releases the following information as the Appomattox Volunteer program moves into the Big Brother and Sister Service.

"PSST . . . Got a Minute?"

Big Brothers and Sisters of Central Virginia's Recruitment campaign uses that as a slogan because minutes add up to hours and several hours a week is all that is required to be a special friend to a child. Big Brothers and Sisters of Central Virginia which includes Appomattox is in desperate need for volunteers to serve as Big Brother, Big Sisters or Couples. Children in the program come from single parent families where the friendship of a male or female role model is often needed. The "Littles" range in age from 6 to 16 and all have been thoroughly screened by the agency's staff before acceptance.

Volunteers must be 18 years of age and agree to spend on the average of 3 - 4 hours per week befriending a child. "PSST . . . Got a Minute?"

Volunteer today and make a child happy.

For more information, contact Jenny Fratrick, Appomattox Department of Social Services, 352-7125.
